SUMMARY

Experienced and dependable professional with a strong sense of dedication and a proven track record of efficiently completing tasks across diverse settings. Known for discretion, adaptability, and a strong work ethic in fast-paced environments. Eager to contribute my skills to a collaborative team and make a meaningful impact. As a driven student, I'm passionate about applying classroom knowledge to real world challenges, continuously learning, and delivering value through active contribution

PROJECTS

AI Resume Screening Syste

- Designed a smart system to analyze and filter resumes for HR
- Built user-friendly interfaces for resume upload and candidate search
- Implemented basic AI-based logic for skill matching and screening
- Improved hiring efficiency by reducing manual shortlisting process

ACHIEVEMENTS

- Participated in Smart India Hackathon (SIH)
- Participated in VIT Hackathon
- Presented project at college-level Project Expo
- Participated in DXSO Hackathon

INTERNSHIP

Data Science Intern CORIZO (Remote) | April 2025

- Completed a one-month virtual internship focused on Data Science using Python, in collaboration with NASSCOM Dig 101 (300-hour certification program)

CERTIFICATIONS

NASSCOM DIGITAL 101 – 300 Hours Course

- NASSCOM's Digital 101 is a skill-building initiative aimed at providing foundational training in digital technologies
- UI/UX Design Workshop – Adhiyamaan College
- AR/VR Technology Workshop – Adhiyamaan Colleg
